Uniontown Elementary:

- Uniontown Elementary 1st graders will be hosting a visitor from the Stark Parks along with some live animal friends on Friday, November 5th from 9:00 am – 9:45 am. This meet n greet, hands – on experience aligns with the LLSD elementary science standards. Students and staff will gain insight and knowledge pertaining to local wild animals. Stark Parks staff will encourage the children to discuss the difference between a pet and a wild animal.

Hartville Elementary:

- **Hartville Elementary School has received a grant of \$38,134.00 from the GameTime Corporation.** The company's "Back to School" grant is a matching funds program and will be utilized to purchase new playground equipment. Principal Angel Harbaugh reports the success of recent PTO fundraising efforts will allow immediate purchase of the equipment. The PTO will continue to fundraise throughout the school year to ensure completion of the entire playground project including the cost to remove the old equipment and installation of the new. An item remaining on the playground wish list is new swings. GameTime is dedicated to enriching the lives of children and communities through play. Their playgrounds are built for fun and inclusiveness. GameTime is committed to building great playgrounds for great communities. Congratulations staff and students!
