### District:

- **Lake Local Schools is proud to announce students achieving Honor Roll Status for the first marking period at Lake Middle School.** Students are deemed worthy of Honor Roll distinction with a 4.0 – 3.5 grade point average. Congratulations to each student! Your hard work does not go unnoticed. (*Honor roll attached*).
- **CollegeBoard Midwestern Regional Office has named Lake Local Schools to the 4<sup>th</sup> Annual AP District Honor Roll. A total of 477 school districts in the United States and Canada earned a place on this year's list.** The AP District Honor Roll recognizes efforts to open AP classroom doors to a significantly broader pool of students, while maintaining or improving the percentage of students earning scores of 3 or higher. This is an inspirational benchmark for Lake Local Schools. Congratulations to staff, student and parents for supporting and encouraging successful participation in AP classrooms. This is the second consecutive year Lake Local has been recognized by the CollegeBoard Midwestern Regional Office for this award.

### Lake High School:

- **Lake High School Orchestra Annual Holiday Concert will be held on Thursday, December 5<sup>th</sup> in the Lake High School Performing Arts Hall at 7:00 pm.** Other upcoming performances include LHS Band concert on Tuesday, December 17 at 6:30 and the Choir Concert on Thursday, December 19<sup>th</sup> at 7:30. Mark your calendars, as you will not want to miss the extraordinary musical talent in Lake Local Schools.
- **Love to read? Want to share the love of reading and learning in a third world country?** LHS National Honor Student, Kaitlyn Ickes is hosting a community wide book drive for students in Indonesia. Former LLSD student Richard Koch and current member of The Peace Corps, is a teacher in Indonesia and has reached out to his alma mater for books to help his students learn English. Kaitlyn has responded in a huge way! She is asking for books to be up to and including Middle School reading level. A great suggestion is the classic Dr. Seuss books. Books may be delivered to the LHS office in care of Sherri Landis's classroom.

### Lake Middle School:

- **December marks the beginning for the selection process of the LMS 6<sup>th</sup> Grade Math Team!** Computer tests will be given to LMS students who are interested in participating as a member of the 6<sup>th</sup> Grade Math team. Mrs. Hadinger will serve as this year's advisor. 15 top Math students will be selected for this year's team. The team will compete against 15 other school districts in March. Categories of competition include Geometry, Mental Computation, and Word Problem Solving to name a few. Trophies and ribbons are awarded in each category. Lake Middle School is proud of the strong tradition of this team. Good luck to all participants!
