

## E CLASSROOM

On **e-classroom**: teachers can post notes, handouts, and links for assistance.

**Blog**: chronological posting of information related to the current lesson. Teachers may use a combination of one of these tools along with email for communication.

### Directions: Works best on Internet Explore 8

- 1) [www.lakelocal.org](http://www.lakelocal.org) Click the student or parent tab at the top
  - 2) Click e-classrooms or blog
  - 3) Put in the student user name AD\19smithjohn
    - a. AD\ graduation year last name first name with no spaces
    - b. Password: the last four digits of the student's ID (on schedule-this password is used for all LMS computer log ins)
  - 4) Click on the grade level you want and you will see a list of all of those teachers who have an e-classroom or blog
- \*\* PLEASE NOTE: DIFFERENT OPERATING SYSTEMS MAY NOT REQUIRE THE AD\ in front (Firefox, Chrome, Safari) Internet Explore 6 may not work – upgrade to 8

**Tandem Calendar** lists every event in the district.

- Go to the parent or student page - click on the calendar link – see events for the entire district.
- Sort for middle school events by clicking on the spot light and selecting our building.
- Click the away event to get driving directions and many other options.

## Pinnacle Internet Viewer (PIV) - letters went home the first week of school

Each parent/child is given a confidential username and password for access to our online grading system for up to date grade information. Teachers and staff do not have passcode information. If you lose the code or cannot log in, please contact the guidance office (Mrs. Conti) and she can run a new letter for you. We are not permitted to give this information out over the phone. Midterm reports are no longer being sent home, so it is important to utilize this site for grade updates between grading periods. Share the information with your child, as they have the opportunity to view PIV in classes, as well.

- Click on the PIV link on the parent or student page.
- Put in the username and password from the PIV letter. (Be sure Lake Local is selected as the domain)

\*\*PLEASE NOTE: NEW PASSCODES MAY BE GIVEN OUT EACH YEAR BY THE COUNTY. THIS YEAR THE CODES SEEM TO BE THE SAME AS LAST YEAR.

## What to do if you don't have computer access at home

If students do not have computer access at home or by phone, the lake middle school library is open from 7:10am to 3:30pm during the week. The Stark County Public Library also has a limited number of computers available for library patrons.

Please let your student's teachers know that you do not have computer access so they can accommodate your needs.
